Key information about Vero Secure Landlord Insurance

Type of Insurance

This policy provides cover for loss or damage to the property and landlord contents, where the property is leased to tenants for use as their permanent residence.

You can choose either property or landlord contents cover (or both) and the cover you have will be shown on your insurance schedule.

We do not cover the property or landlord contents for all types of loss or damage.

What We Cover

Insured events

We cover specific insured events like storm, flood, fire (including bushfire), escape of liquid and impact.

Legal Liability

We cover your legal liability to pay compensation for death of, or bodily injury to other people, or loss or damage to their property.

Note: this is a summary only. Like all policies, there are conditions, limits and exclusions that apply so you need to read your policy for full details.

What we pay

For property claims, the most we will pay for any one incident is the property sum insured shown on your insurance schedule, unless we say otherwise in your policy.

For landlord contents claims, the most we will pay for any one incident is the landlord contents sum insured shown on your insurance schedule, unless we say otherwise in your policy.

The most we will pay for all claims arising from one incident for legal liability covered by this policy is **\$20 million**, including all associated legal costs.

We will pay up to the limits outlined under the relevant Additional and Optional covers.

Additional cover that comes with your policy

There are some additional covers that come with your policy for no extra cost. See 'Additional cover that comes with your policy' on page 53 for more information.

Optional cover you can pay extra for

There are some optional covers that you have to pay extra for. If an optional cover applies to your policy it is shown on your insurance schedule. See section 6 'Optional cover you can pay extra for' on page 72 for more information.

Exclusion for new policies

We do not insure you for bushfire, storm, storm surge, flood or tsunami in the first **72** hours of your policy. Very limited exceptions apply. For full details see section 3 'Things we don't cover' on page 26.

Exclusion for short term rental and holiday lettings

We do not insure the property at all if it is not being rented to tenants as their permanent residence. For example, we do not provide any cover under this policy if the property is used for short-term rental, holiday letting or any house sharing arrangement (including any arrangement booked through an online booking platform). See section 3 'Things we don't cover' on page 28.

What to do if you need to make a claim

We understand that experiencing loss or damage or having a claim made against you can be stressful.

Here's what to do:

Step 1

Make sure everyone is safe. For emergencies, call 000.

Step 2

Try to prevent further loss, damage or liability (e.g. if there is a broken window, arrange for it to be covered to prevent further water damage from the rain).

Step 3

Report any theft and malicious damage to the police as soon as possible. Give them a list of all stolen or damaged items.

Keep details of the date reported, name of the police officer, police station reported to and the report number.

Step 4

Contact us as soon as possible by calling the phone number on your insurance schedule. If you delay reporting your claim, we will not pay for any additional loss, damage or liability caused by your delay. When you contact us, describe details of what has happened (e.g. a window broken in a storm). For electrical items, please have details about the make and model. If the damage to your property or landlord contents was caused by another person and if possible, please provide us their name and address and if applicable, their registration number.

Landlord Insurance Premium, Excesses, Discounts and Claim Payments (PED) Guide

In this PDS you will be referred to the Landlord Insurance PED Guide. This guide is available at vero.com.au/ped and contains further information about premiums, excesses, discounts and claim payments. Please contact us for a free copy.

Words with special meanings

Some words in this policy have special meanings. Most of the words with special meanings are defined in section 10 'Words with special meanings' on pages 99 to 104.

1. Important things to know upfront

Our agreement with you

If you buy this product from us, your contract of insurance is made up of your insurance schedule, this PDS and any SPDS that we have given you.

Cooling off period

You can contact us to return the policy within **30** days from the start date of your policy (including on renewal). This is called the cooling off period. As long as you have not made a claim during this period, we will refund in full the money you paid for your policy (including GST if applicable), but you will not have any cover under the policy.

Alternatively, you can cancel your policy at any time while you are insured. When you do this, unless we tell you otherwise, you will have cover up until the date and time of cancellation. For more information see 'What happens with cancellations' on page 96.

There are limits to what we will pay and some things we don't cover

Like every insurance policy, there are exclusions, conditions and limits that apply to your policy. There are some things we don't cover whatever the circumstances, these are found in section 3 'Things we don't cover' on page 25. There are also specific things we don't cover explained in sections 4 to 6 on pages 38 to 78 which are particular to the cover under your policy.

Extra Support

Sometimes your circumstances might mean you need additional support or assistance in dealing with us. This could be due to your physical or mental health, family or financial situation or cultural background. If you are comfortable, you can tell us about your situation and we will work with you to arrange support.

Your responsibilities

- ▼ take steps to prevent theft, loss, damage or legal liability (e.g. ensuring there are working smoke detectors in the property);
- ▼ maintain door locks and window locks in good working condition and keep alarms working and connected;
- ▼ follow all of the terms and responsibilities set out in your policy;
- ▼ keep the property or unit structurally sound, watertight, secure and well maintained (e.g. remove mould, fix any holes in floors, walls, ceilings, fix loose, missing or rusted steps, gutters, flooring);
- ▼ you must fix any inherent defect, faulty design, structural fault and/or faulty/poor workmanship at the property as soon as possible after you identify it or are told about it;
- ▼ ensure that regular and routine inspections of the property (including at tenant entry and exit) are undertaken and evidence of those inspections are kept (including photographs);
- ▼ ensure that the property complies with local council requirements and building laws and regulations when construction, alterations or repairs are undertaken. For example, obtain all required permits and permissions prior to work commencing and ensure that all requirements including height limits are met;
- ▼ ensure that the property is kept in good condition (e.g. there are no blocked gutters, the roof is not rusted, the property is not infested with vermin and there is no termite damage). See 'Things we don't cover' on page 30;
- ▼ provide honest and complete information for any claim, statement or document supplied to us;
- ▼ do not behave in a way that is abusive, dangerous, hostile, improper or threatening when engaging with us and our service providers.

Not meeting your responsibilities

Your policy may not provide cover if you have not met your responsibilities and it may lead us to reduce or refuse to pay your claim and/or cancel your policy.

When you need to contact us

During the period of insurance you must tell us as soon as possible if:

- ▼ you have been charged with or convicted of, a criminal act or offence;
- ▼ you have had another insurer cancel or decline an insurance policy, impose specific conditions on a policy or refuse a claim;
- ▼ you or your agent become aware your tenant starts to or intends to operate a business activity at the insured address;
- ▼ you start farming, manufacturing or repair work at or from the insured address or your agent becomes aware your tenant does farming, manufacturing or repair work at or from the insured address;
- ▼ you or your agent become aware of changes to any business activity operated at the insured address such as but not limited to, people start to come to the insured address, business signage is installed or storage of chemicals for the business activity occurs;
- ▼ you need to change your sums insured;
- ▼ any detail on your insurance schedule is no longer accurate, such as but not limited to the description of the property;
- ▼ you start to use or let all or part of the property to tenants or guests under any short-term rental, holiday letting or house sharing arrangement including any arrangements booked through an online booking platform;
- ▼ trespassers or squatters occupy the insured address;
- ▼ you intend to demolish the property, have lodged an application to do this, or a government authority has issued a demolition order;
- ▼ renovations, construction, alteration and/or repairs over **\$50,000** commence at the insured address;
- ▼ the insured address ceases to be used as a rental property;
- ▼ you no longer have a rental agreement (see section 10 'Words with special meanings' on page 102) for the insured address.

If you have not told us about any of the above matters having occurred in any other period of insurance you held this policy with us, you must also tell us as soon as possible.

What we will do when you contact us

When you tell us about any of the above matters, an additional premium or special condition may be applied to your policy. In some cases, it may lead us to reduce or refuse to pay a claim or it may mean we can no longer insure you and we will cancel your policy.

If you do not contact us

If you do not contact us when you need to, you may not be covered under your policy and it may lead us to reduce or refuse to pay a claim and/or cancel your policy.

How to contact us

Contact us by calling:

- ▼ the telephone number shown on your schedule, or
- ▼ 1300 794 133; or
- ▼ your insurance adviser.

If your contact details change

You must keep your contact details, including your Australian mobile number, postal address and email address up to date. If we do not have up to date contact details you might not receive your important policy documents which could impact whether you have cover in place.

Make sure your sums insured are adequate

Underinsurance can expose you to serious financial loss if a claim occurs. It is your responsibility to select a sum insured for both the property and landlord contents that meets your needs in the event the property or landlord contents are damaged or destroyed.

To help you calculate the replacement value of the property, we provide a 'Building Calculator' that you can access through your insurance adviser.

You can also choose to seek the services of an architect, builder, quantity surveyor, valuer or other suitably qualified professional for an expert opinion.

Review your sums insured regularly

To ensure your sums insured are adequate it is important to review them regularly, being mindful of any additions, enhancements or renovations that you may make or any items purchased recently and ask us to change the sums insured when required. If you upgrade the size and standard of the property, it may increase the cost to rebuild the property. Your property sum insured will need to reflect these types of changes.

If you over-insure

We will not pay more than the amount of the assessed quote to rebuild, repair or replace the property or your landlord contents. Again, it is important to review your sums insured regularly. We will not refund any premium paid for over-insuring.

Adjustments on renewal

We may choose to adjust your sums insured shown on your insurance schedule at the end of each period of insurance to account for various factors including inflationary trends. However, you still need to consider if the property and landlord contents sums insured are sufficient for your situation.

GST

Limits and the most we pay amounts stated in this PDS and on your insurance schedule include GST.

Excesses that apply to your claim

What is an excess?

An excess is the amount you pay towards the cost of your claim for each incident covered by your policy. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your insurance schedule or in this PDS.

Excess type

Property basic excess

A property basic excess applies to all claims made under your property cover (including legal liability claims), unless your policy states that no excess applies to your claim. Sometimes we will impose an excess based on our assessment of the underwriting risk and this is included in the Property basic excess.

Landlord contents basic excess

A landlord contents basic excess applies to all claims made under your landlord contents cover (including legal liability claims), unless your policy states that no excess applies to your claim. Sometimes we will impose an excess based on our assessment of the underwriting risk and this is included in the Landlord contents basic excess.

Loss of rent – Insured Event excess

This excess applies in addition to any other excesses that apply if you make a claim under optional cover 'Loss of rent - insured event' see page 72.

Malicious damage and theft excess

This **\$500** excess applies to a claim under 'Theft or Burglary by tenants or their guests' see page 45, 'Malicious acts or vandalism by tenants or their guests' see page 50 and to a loss of rent claim under optional cover 'Loss of rent - insured event' (see page 22) caused by a malicious act and/or theft or attempted theft by your tenant or someone at the insured address with your consent or the consent of your tenant. This excess will apply in addition to any other excesses that apply.

Earthquake and Tsunami excess

This excess applies in addition to any other excesses that apply if you make a claim for loss or damage as a result of an earthquake or tsunami.

Unoccupied excess

This excess applies in addition to any other excesses that apply, if at the time of the incident covered by your policy, the property or unit has been unoccupied for more than **60** continuous days.

When is the property or unit unoccupied?

A period of unoccupancy starts when the property or unit becomes unoccupied and comes to an end when you, or someone nominated by you, has occupied the property or unit for at least **2** consecutive nights. You will be required to prove the occupancy of the property or unit in the event of a claim, unless this is not reasonably possible. Examples of how you can prove the occupancy include providing us with copies of bills (or other documents demonstrating the usage of utilities that are connected to the property or unit) and photos of the furnishings in the property or unit. See section 10 'Words with special meanings' on page 104.

Refer to the Landlord Insurance PED Guide for more information about excesses.

Claiming for both property and your landlord contents

When both the property and landlord contents at the one insured address are insured with us and your claim is for loss or damage to both arising from the same incident, you must pay whichever is the higher of the property basic excess or the landlord contents basic excess (plus any other applicable excess).

How to pay your excess

You can choose from the following options to pay your excess:

- ▼ you can pay the excess(es) directly to us before we finalise your claim;
- ▼ the excess(es) can be deducted from the amount we pay you for your claim (if any).

We will not cover any legal or other costs that arise because of any delay in paying the excess.

When your excess will be waived

We will waive your excess and no excess will apply when:

- ▼ you are not responsible for the loss or damage and the incident was caused by another person (but not a person within the definition of 'you' and not a tenant or their guest). You may be able to show this by providing a police report, expert reports, statement from a witness and/or photographs; and
- ▼ you can give us the name and address of the person responsible, and if applicable, the registration number of the vehicle.

Note: If you cannot identify the person responsible and/or give us their name and address (and if applicable, their registration number) it means we will not be able to waive your excess. It does not otherwise impact the cover under your policy or your ability to make a claim.

2. What we cover – the basics

This section describes the basics of what we cover.

Note: We don't cover things that happen because the property and landlord contents are not in good condition or because any property extensions, alterations or renovations are not complete. We do not cover loss or damage to, or caused by or arising from, any part of the property or landlord contents that are not in good condition or that has wear, tear or deterioration and some losses where property extensions, alterations or renovations are not complete. See section 3 'Things we don't cover' on page 25.

Note: Sometimes we might cover something under 'What we cover as the property' or 'What we cover as landlord contents' but that item or part of the property or landlord contents may not be covered for all types of loss or damage covered by your policy (e.g. we cover retaining walls which are located within the insured address as part of the property but we do not cover loss or damage to retaining walls under certain insured events). See section 4 'What we cover - the details' on page 38. It is important to read your policy carefully.

The limits shown are paid in addition to the property or landlord contents sum insured, unless stated otherwise. Some covers can be claimed on independently to a claim for loss or damage to the property or landlord contents, as shown. All of the conditions of your policy and the section 3 'Things we don't cover' apply to the additional covers.

In some circumstances, an additional cover may be available to you before your claim for loss or damage to the property or landlord contents is confirmed as covered under your policy. This does not mean that your claim has or will be covered or that your claim will be paid.

We will engage a member of our supplier network to review your quote and/or inspect the motor to determine if it can be repaired or replaced.

Repairing your motor

We will engage a repairer within our supplier network who is able to complete the repairs to your motor to provide a quote. If the quoted cost to repair the electric motor or motor in an appliance is less than the cost of replacement, we will authorise the repairs. We will engage a builder to determine how long the repairs or rebuild should take. For example, if you have a fire claim and the builder determines that the repairs would take **4** weeks to complete, you will be entitled to **4** weeks loss of rent under this additional cover.

When you have landlord contents cover in a unit

When the insured address is a unit and an insured event damages your landlord contents such that the insured address cannot be lived in, we will pay the weekly rental amount for the time it should take to repair or replace the landlord contents so that the unit can be lived in again.

- ▼ your tenant;
- ▼ someone who is at the insured address with your consent or the consent of your tenant,

then this excess would apply.

x What we do not cover

- ▼ loss of rent:
 - ▼ if you do not intend to repair or replace the property, unit or landlord contents;

This means you will need to have suffered loss (or damage) of an amount equivalent to, or greater than, four (4) times the weekly rental amount before you have cover. This does not apply when your claim relates to the death of a sole tenant (see item 3. below). This amount is not an excess that you pay to us. A basic excess does not apply to this option.

See the definition of rental agreement on page 102 in 'Words with special meanings'.

- ▼ you have not taken all steps available to you under the Residential Tenancies Act, or other relevant state or territory legislation, to remedy non-payment and/or evict the tenant. For example, sending any notices for non-payment, filing an application to recover funds and seeking an order to evict the tenant from the relevant Tribunal or Court or terminating the rental agreement.

\$ Limit

Cover will commence from the date the tenant stops paying any rent until the earliest of the following times:

✓ What we cover

4. Tribunal Order

If your written rental agreement is legally terminated by a Residential Tenancies Tribunal or another relevant authority on the grounds of hardship on the part of the tenant during the period of insurance, we will pay the weekly rental amount for up to **4** weeks.

\$ Limit

Cover will commence from the date the Tribunal order takes effect, and ends at the earliest of the following times:

- ▼ the date you re-let the property; or
- ▼ the **4** week limit for this cover is reached.

- ▼ not related to recovering rent from the tenant;
- ▼ if we have paid a previous claim under this optional cover in respect of the same tenant.

\$ Limit

The most we will pay for any one incident is **\$5,000**. You must repay to us the rent or a proportion of the rent previously paid under 'Loss of rent - tenant default' if you recover any amount in excess of your loss.

Note: 'Same tenant' means at least one common person was usually residing at the insured address both times the rent ceased being paid.

Strata title mortgage protection

This Strata title mortgage protection cover is only available with landlord contents insurance in a unit you own and is not available for new policies. For existing policies that have this optional cover shown on the insurance schedule, 'Strata title mortgage protection' will continue to apply until you ask us to remove the optional cover.

✓ What we cover

If your insured address is a strata title property and it suffers loss or damage caused by an insured event (see 'What you are covered for – Insured Events' on pages 38 to 51) during the period of insurance and both of the following apply:

- ▼ the body corporate building insurance either does not extend to covering the insured event or does not fully cover the cost of repairing the property; and
- ▼ the mortgagee on your strata title property makes a claim under your body corporate policy for repayment of the mortgage,

then we will pay the mortgagee the lowest of these three amounts:

- ▼ where the cost of repairs is greater than the limit of cover under your body corporate insurance, the difference between the amount covered by the body corporate insurance and the cost of repairing the damage;
- ▼ the amount to fully repay your mortgage at the time of the loss or damage;
- ▼ the sum insured for the mortgagee's interest shown on your insurance schedule.

x What we do not cover

Any incident not covered under this policy.

7. Making a claim

What you must do

- ▼ allow us to inspect the damaged property and/or landlord contents;
- ▼ allow us to arrange for experts to assess the damaged property and/or landlord contents and to quote on repair or replacement;
- ▼ arrange for all contents to be moved and/or stored in order to facilitate repairs to the property. Note: if you have landlord contents cover with us, some cover may be available under 'Storage of undamaged landlord contents' on page 61;
- ▼ provide us with a quote/s for repair or replacement if we ask for this;
- ▼ provide us with copies of entry/exit and routine property inspection reports along with photographs to support a claim for damage if we ask for this;
- ▼ provide us with any inspection report you might have obtained prior to purchasing the property;
- ▼ when requested, provide us with proof of loss, ownership and value;
- ▼ provide us with information, co-operation and assistance in relation to the claim (including attending an interview in person or over the phone or giving evidence in court if required);
- ▼ allow us, or a person nominated by us, to recover, salvage or take possession of parts of the property or landlord contents when we replace or pay you the full sum insured. When we ask, you must send any items to us, or cooperate in our collection or retrieval of such items.

What you must not do

- ▼ do not dispose of any damaged parts or items of the property or landlord contents without our consent unless it is necessary for health and safety reasons, for example mouldy carpets (if possible, take photos of the damaged parts or items being disposed of);
- ▼ do not carry out or authorise repairs without our consent unless you cannot contact us and need to make emergency repairs to protect the property or landlord contents or it is necessary for health and safety reasons;
- ▼ do not wash or clean or remove debris from any area damaged by fire without our consent unless you need to do this to prevent further loss or it is necessary for health and safety reasons;
- ▼ do not admit liability or responsibility to anyone else unless we agree;
- ▼ do not negotiate, pay or settle a claim with anyone else unless we agree;
- ▼ do not accept payment from someone who admits fault for loss or damage to the property. Refer them to us instead.

If you do not comply

If you do not comply with 'What you must do' and 'What you must not do' we can reduce or refuse to pay your claim and/or recover from you any costs and/or any monies we have paid and/or cancel your policy.

Legal liability claims

You must tell us about any incident that has caused an injury to others or damage to other people's property.

You must also as soon as possible tell us about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us.

If you make a legal liability claim under your policy we can decide to defend you, settle any claim against you or represent you at an inquest, official inquiry or court proceedings. If we decide to defend you, settle any claim against you or represent you, then you must give us all the help we need, including help after your claim is settled.

If we decline a claim or do not pay your claim in full

We will provide reasons for our decision to decline the claim or not pay it in full. We will send you written confirmation of our decision.

How to establish your loss

Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- ▼ confirmation that you reported the incident;
- ▼ details of any investigations they undertook.

You must give us authority to access these records, if we ask.

Describe your loss or damage

You must also give us accurate and full details of what was lost, stolen or damaged.

Proving loss, ownership and value

You must give us proof of loss, value and ownership of the items claimed when we request it.

Allowing us, a repairer or an expert appointed by us, to look at what is damaged is usually all that is needed to prove your loss. Sometimes we might ask you to produce a copy of the most recent plans and drawings for the property, photographs of the property or other proof that supports the extent of the loss you have suffered.

For lost, damaged or stolen items that are no longer available for inspection (e.g. because they were stolen or destroyed in a fire) you must validate your claim by giving us details of when and where they were purchased and proof of ownership and value.

The type of proof we might ask for includes proof of purchase (e.g. a sales receipt that has the item, description or code, a purchase price, date purchased and where the item was purchased), a valuation from a qualified professional valuer in Australia before the loss or damage occurred, original operating manual, manufacturer's box, certificate of authenticity, close up photograph, proof of inheritance and a full description of the item (e.g. brand, model etc.).

For more valuable items we will ask for more evidence to substantiate your claim than we might for less expensive items. For items over **\$3,000**, we will ask for proof of purchase (e.g. a sales receipt), a valuation from a qualified professional valuer in Australia before the loss or damage occurred and a close-up photograph of the item as a minimum.

We do not consider that a statutory declaration of itself is acceptable evidence of proof of ownership and value.

If you are unable to substantiate your claim, we might reduce or refuse your claim.

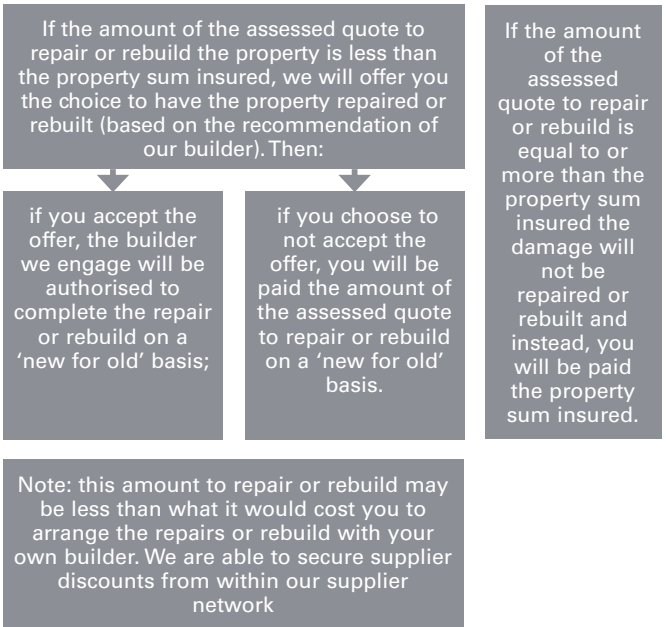

How we settle property claims

We will aim to use a member of our supplier network to repair or rebuild the damage to the property. Sometimes, this is not always possible, for example, if there is pre-existing damage. This will determine how the property claim will be settled.

When a member from our supplier network can complete the repair or rebuild

When your claim for loss or damage to the property is covered, we will engage a builder from our supplier network to prepare a scope of works and provide a quote on the cost to repair or rebuild the property on a 'new for old' basis.

Once the scope of works and quote is provided to us, we will arrange for it to be assessed. This will involve reviewing the quote to make sure that the quote is appropriate and reasonable for the scope of works. This includes a consideration of the appropriateness of materials, repair method, labour and material costs and overall cost.

When a member of our supplier network is unable to complete the repair or rebuild

When your claim for loss or damage to the property is covered and a member of our supplier network is unable to complete the repair or rebuild, we will ask you to engage a builder to provide a scope of works and provide a quote on the cost to repair or rebuild the property on a 'new for old' basis.

Once the scope of works and quote is provided to us, we will arrange for it to be assessed. This will involve reviewing the quote to determine that it is appropriate and reasonable for the scope of works. This includes a consideration of the appropriateness of materials, repair method, labour and material costs and overall cost.

If the quote is appropriate and reasonable for the scope of works, we will then pay you the assessed amount. If it is not, the quote may be adjusted. This may include, adjusting the scope of works or the quote. We will then pay you the adjusted amount of the quote.

If we pay you for the repair or rebuild, the Lifetime guarantee on property repairs does not apply, see page 90.

When we settle the property claim we will not:

- ▼ pay more than the relevant sum insured or policy limit;
- ▼ pay extra because you paid more for an item when it was originally purchased;
- ▼ pay extra to repair or rebuild the property to a better standard, specification or quality than it was before the loss or damage occurred except as stated in the meaning of 'new for old' (see page 85) or unless stated otherwise in your policy;
- ▼ fix inherent defects, structural defect, structural fault and/or faulty/poor workmanship that are not covered by your policy (see section 3 'Things we don't cover' on page 33), other than a defect or fault that we guarantee under this policy;
- ▼ pay extra to repair or rebuild undamaged parts (some limited cover is available in additional cover 'Matching undamaged parts' see page 70);
- ▼ fix or pay to fix pre-existing damage (unless your policy provides otherwise).

How we settle your landlord contents claims

When your claim for loss, theft or damage to your landlord contents is covered, your landlord contents may be replaced, repaired or we may pay you. We will aim to use a member of our supplier network to repair or replace damaged contents.

How we settle will depend on the circumstances of the claim including the cost of repair or replacement, your sum insured and any lower policy limits.

If the cost of repair or replacement exceeds your landlord contents sum insured, you will be paid your landlord contents sum insured.

Repairing your landlord contents

We will engage a repairer within our supplier network who is able to complete the repairs to your landlord contents to provide a quote. If the quoted cost to repair the item is less than the cost of replacement, we will authorise the repairs. If you do not accept the offer to repair, we will pay you the quoted cost.

Replacing your landlord contents

If the quoted cost to repair is more than the cost of replacement on a 'new for old' basis or if the landlord contents item cannot be repaired, you have the option to accept a replacement on a 'new for old' basis sourced through our supplier network. See page 85 for what 'new for old' means.

If you do not accept the offer, you will be paid the value of the replacement item. This may be less than what it would cost you to arrange the replacement in the market. We are able to secure supplier discounts from within our content supplier network. We will pay you cash or if available, you can choose to be paid this as a voucher, store credit or stored value card.

When we settle your landlord contents claim we will not:

- ▼ pay more than the relevant sum insured or policy limit;
- ▼ pay extra to replace landlord contents item to a better standard, specification or quality than they were before the loss or damage occurred except as stated in the meaning of 'new for old';
- ▼ fix or pay to fix pre-existing damage (unless your policy provides otherwise);
- ▼ fix inherent defects, structural defect, structural fault and/or faulty/poor workmanship that are not covered by your policy (see section 3 'Things we don't cover' see page 33);
- ▼ pay extra because you paid more for that item when it was originally purchased;
- ▼ pay extra to repair or replace undamaged parts (some limited cover is available in additional cover 'Matching undamaged parts' see page 70);
- ▼ pay for any decrease in the value of a pair, set or collection when the damaged or lost item forms part of the pair, set or collection. We pay only for the repair or replacement of the item which was damaged or lost.

'New for old' means:

New materials, new items

We replace or repair with new items or new materials that are reasonably available at the time of replacement or repair from Australian suppliers.

New for old, regardless of age

We replace or repair regardless of age, with no allowance for depreciation.

For example, a leather lounge which was purchased 5 years ago for **\$5,000** and now worth **\$2,000**, will be replaced with a brand new leather lounge equivalent to your old lounge when it was new. Cover is not limited to **\$2,000**.

Same type, standard and specification as when new

We will repair or replace to the same type, standard and specification (but not brand) as when new. If the same is not reasonably available from an Australian supplier, we will repair or replace with items or materials of a similar type, standard and specification when new. We can replace with a different brand.

'New for old' does not:

- ▼ include paying the extra cost of replacing or purchasing an extended warranty on any item;
- ▼ mean of a better standard, specification or quality than when new;
- ▼ include paying to replace or match undamaged parts or materials (some limited cover is available in additional cover 'Matching undamaged parts' see page 70).

When items may be replaced to a better standard

Refrigerators, freezers, dishwashers, air conditioners, washing machines and dryers with less than a 3 star energy rating

For these items when being replaced, 'new for old' means replacing with a new item of equal specification (but not brand) and if you agree, it means replacing with a minimum 3 star energy rating if this is available. It can be a different brand.

Obsolete electrical appliances

For obsolete electrical appliances such as outdated computers or TVs 'new for old' means replacing or repairing to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It can be a different brand. We do not repair or replace, or pay you for electrical or electronic items that were no longer able to be used for the purpose they were intended prior to the incident covered by your policy (e.g. a TV that can no longer be turned on and watched).

Landlord contents items that cannot or will not be replaced 'new for old'

For these items (such as paintings, pictures and works of art), 'new for old' means that if the item cannot be replaced 'new for old' or repaired, we will pay you what it would have cost to buy the item immediately before the loss or damage occurred, up to the relevant limit in your policy. We may engage an expert to help determine this.

Property claims

This section relates specifically to a claim made on the property cover and is in addition to the information in 'How we settle property claims' on pages 82 to 83.

When we authorise the repair or rebuilding of the property

We may enter into any building contract with the selected repairer and/or supplier on your behalf.

Repairing or rebuilding damaged parts

We will only repair or rebuild the parts that are damaged where the damage is covered by your policy. Apart from the limited circumstances where we will repair or rebuild undamaged parts (some limited cover is available in additional cover 'Matching undamaged parts' see page 70). This policy does not cover you to replace undamaged parts, such as when:

- ▼ **one garage door is damaged**
we will only replace or repair the damaged one, not other doors.
- ▼ **roof tiles are damaged**
we will only replace the damaged ones, not the undamaged tiles, even if the undamaged tiles are faded and do not match the new ones used for repairs.
- ▼ **roof sheeting is damaged**
we will only replace the damaged roof sheeting, not the undamaged roof sheeting, even if the closest match available to us is a different shade, colour, finish, material or profile to the undamaged roof sheeting.
- ▼ **an external wall is damaged**
we will replace the damaged parts of the wall, not undamaged areas of the wall or other sides of the property.

When we cannot match materials to undamaged parts

If we cannot find new materials to match undamaged parts, we will offer to repair or rebuild using new materials of a similar type, standard and specification to the damaged parts of the property when new and that are reasonably and commercially available in Australia and compliant with the current building regulations. It may not be the same brand, line or product.

If you are not satisfied with the materials we find, you have two options before we commence the repair or rebuild:

You can pay the extra cost of replacing the undamaged part to achieve a uniform appearance with the materials we have found. See also additional cover 'Matching undamaged parts' on page 70 as there are some limited circumstances where we will pay extra to repair or rebuild undamaged parts.

We can pay you the amount of the assessed quote of repairing or rebuilding using materials that are the closest match available that has been quoted by one of our suppliers based on the materials we have found. The assessed quote may be less than what it will cost you to arrange the repairs or rebuild within the building market. We are able to secure supplier discounts from our supplier network.

How we deal with defects, faults and poor workmanship

There are different ways we manage defects, faults and poor workmanship during the repair, rebuilding process:

- ▼ if the property has a defect, fault or poor workmanship (see section 3 'Things we don't cover' on page 33), it is not covered and we will not pay to fix it. This is the case whether you knew about the defect or fault (or not). For example, we would not fix structural posts, beams or load bearing walls that have been removed without taking into account structural engineering requirements.
- ▼ if a defect or fault (or poor workmanship) causes or contributes to loss or damage to the property, that resultant damage is not covered but only if you knew about the defect or fault or should have reasonably known about it (see 'section 3 'Things we don't cover' on page 33). For example, your roof has a fault (and you knew about the fault because you have been told about it by a tradesperson) and this allows rain to enter during a storm, we will not pay to fix the resultant water damage but not the defect in the roof.
- ▼ if a member of our supplier network is unable to complete the repairs or rebuild damage covered by your policy (e.g. because a defect or fault or poor workmanship in any property component will not support the repairs) we will pay in accordance with 'How we settle property claims' on page 81 as if the property component did not have the defect or fault. This is the case whether you knew about the defect or fault (or not). For example, a defective load bearing wall will not support the repairs needed to the ceiling. We pay you the cost to repair the damage to the ceiling as if the property did not have the defective load bearing wall.

Changes to the property

If you want to change the design of the property

When repairing or rebuilding the property, if we agree, you can choose to change the design of the property or upgrade parts of it, provided that you pay all extra costs of doing this including all costs related to the construction and all professional fees (e.g. architect's fees). If you want to downsize the property for less cost than you are entitled to claim, we will not pay more than the amount of the assessed quote from a member of our supplier network to rebuild the downsized property. For example, if your three bedroom property is damaged in a storm and has to be rebuilt, and you choose that you want to downsize to a smaller two bedroom property, the most we will pay is the assessed quote for our builder to rebuild the smaller two bedroom property.

Choosing to rebuild on another site

If the property is to be rebuilt following an incident covered by your policy you can choose to have the property rebuilt on another site provided you pay any extra costs involved.

Lifetime guarantee on property repairs

When we repair or rebuild the property, we guarantee the quality of workmanship of that work for the lifetime of the property if we:

- ▼ authorise;
- ▼ arrange; and
- ▼ pay the builder or repairer directly for this work.

What we guarantee

We guarantee the standard of the workmanship to be free of defects. If a defect arises in the lifetime of the property as a result of poor quality workmanship, then we will rectify the problem. It is a condition of our guarantee that we reserve the right to decide who will undertake the rectification work.

This guarantee does not apply:

- ▼ to repairs you authorise or make yourself;
- ▼ to loss, damage or failure of any electrical or mechanical appliances or machines;
- ▼ to wear and tear consistent with normal gradual deterioration of the property;
- ▼ where we agree with a repair quote and we give you payment for the cost of the repairs and you arrange the repairs.

Landlord contents claims

This section relates specifically to a claim made on your landlord contents cover and is in addition to the information in 'How we settle your landlord contents claims' on page 84.

Repairing or replacing damaged landlord contents

We will only repair or replace landlord contents that are lost or damaged when the loss or damage is covered by your policy. Apart from the limited circumstances where we will repair or replace undamaged landlord contents (see additional cover 'Matching undamaged parts' on page 70) you cannot claim to replace undamaged landlord contents e.g. a lounge chair which is part of a suite is damaged beyond repair, we will pay to replace that chair, not the whole lounge suite.

When we cannot match materials to undamaged parts

If we cannot find new materials to match undamaged parts, we will use new materials of a similar type, standard and specification that are reasonably and commercially available in Australia. It may not be the same brand, line or product.

If you are not satisfied with the materials we find, you have two options before we commence the repair or replacement:

You can pay the extra cost of replacing undamaged parts of your landlord contents to achieve a uniform appearance. See also additional cover 'Matching undamaged parts' on page 70 as there are some limited circumstances where we will pay extra to repair or replace undamaged parts.

We can pay you the amount of the assessed quote of repairing or replacing using materials that are the closest match available as quoted by a member of our supplier network. The assessed quote may be less than what it will cost you to repair or replace the item. We are able to secure supplier discounts from our supplier network.

Deductions from your property claim

If we pay the full property sum insured to you, we will deduct the following where applicable, from the amount we pay you:

- ▼ any unpaid excesses;
- ▼ any unpaid premium including any unpaid or remaining instalments for the period of insurance (if any);
- ▼ any input tax credit entitlement, refer to page 95.

After we pay your claim

Potential impact on cover and premiums

After a property claim

If we only pay part of the sum insured to you, your policy continues for the period of insurance.

If we pay the full sum insured to you, all cover under your policy stops on the day we pay or otherwise finalise your claim. There is no refund of premium.

After a landlord contents claim

If we pay part of, or the full, landlord contents sum insured, your landlord contents sum insured is automatically reinstated and cover continues for the period of insurance at no extra cost.

Salvaged property and landlord contents items

If we replace or pay you the full sum insured for an item, we then own the damaged or recovered item. We will need you to make the damaged or recovered item available to us.

Our right to recover from those responsible

If you've suffered loss or damage or, incurred a legal liability as a result of an incident covered by this policy and you make a claim with us for that incident, then we have the right and you have permitted us to take action or start legal proceedings against any person or entity liable or, who would be liable to you for the recovery of your loss.

"Your loss" means your insured, underinsured or uninsured loss or damage or legal liability, costs, payments made and expenses in relation to the incident. Any action or legal proceeding we take will be commenced either in your name, or in the name of any other person or entity that suffered your loss. We will have full discretion over the conduct and any settlement of the recovery action.

If you make a claim with us for your loss and you've already started action or legal proceedings against any person or entity liable or, who would be liable to you for your loss, then we have the right and you have permitted us to take over and continue that action or legal proceeding.

Where your loss forms part of any class or representative action which hasn't been started under our instructions, we have the right and you permit us to exclude your loss from that class or representative action for the purpose of us including it in any separate legal proceedings which are or will be started under our instructions.

You must provide us with all reasonable assistance, co-operation and information in the recovery of your loss.

This assistance may include:

- ▼ providing a more detailed version of events, which may include completing a diagram or statement/affidavit;
- ▼ providing us with any documents required to prove your loss;
- ▼ providing copies of any photographs or footage of the incident available;
- ▼ lodging a police report or obtaining relevant documents, such as completing and lodging an application form to obtain records from the police, fire and rescue, councils and other entities (when we cannot lodge one);
- ▼ attending court or meetings with our legal/other experts (only if required);
- ▼ providing evidence and documentation relevant to your claim and executing such documents, including signed statements and affidavits which we reasonably request.

We will pay for the cost of filing the police report and relevant searches to locate the third party. We will cover the costs you incur when having to attend court up to **\$250** in total per claim.

You must not enter into any agreement, make any admissions or take any action or steps that have the effect of limiting or excluding your rights and our rights to recover your loss, including opting out of any class or representative action, unless we have given you our prior written agreement. If you do, we may not cover you under this policy for your loss.

8. Important things to know – our contract with you

About your premium

The amount you pay for this insurance is called the premium. The premium includes any applicable GST, stamp duty, other government charges and any levies that apply. The premium will be shown on your insurance schedule as total amount payable or if you pay by monthly instalments as your monthly insurance premiums.

The amount of the premium reflects our assessment of the likelihood of you making a claim and our costs of doing business. We use many factors about you and the property and landlord contents to calculate the premium.

Refer to the Landlord Insurance PED Guide for more information.

Paying your premium

You must pay the premium by the due date to get this insurance cover. We will tell you how much to pay and when payment is due on your insurance schedule.

If we agree, you can pay the premium by instalments.

If you ask to pay the premium by automatically debiting your account or card, we will automatically continue doing so on renewal so that your policy can renew. You can contact us to stop this.

If you make changes to your policy details, it may affect the premium you need to pay for the remaining period of insurance.

Late annual renewal payments

If you do not pay the premium due on renewal by the due date, you have no cover from the due date.

Late monthly instalments

If you pay your premium by monthly instalments and a monthly instalment is overdue we will let you know, and we can cancel your policy:

- ▼ by giving you at least **14** days advance notice; or
- ▼ without advance notice, once an instalment is **1** month (or more) overdue.

Joint policyholders

When you insure the property and/or landlord contents in the names of more than one person, and all of those people are named insured on your insurance schedule, each of them is a joint policyholder and is able to request changes and otherwise deal with the policy. The reason for this is that these joint policyholders each have an interest or ownership in the property and/or landlord contents.

We will treat a statement, act, omission, claim, request or direction (including a request to change or cancel your policy) made by one policyholder (either before the purchase of this policy or during the period of insurance) as a statement, act, omission, request or direction by all policyholders. A policyholder means a named insured on your certificate.

There are, however, some exceptions to this.

During the period of insurance, we might ask all joint policyholders before we action a request or direction in relation to your policy (e.g. before we cancel your policy, reduce your cover or remove another policyholder). This way we can help protect the interests of all policyholders.

Conduct of others

When we consider a claim under this policy, we will have regard to any prejudice suffered by you or any other person entitled to benefit under this policy in relation to that claim, caused by mental illness of, substance abuse and/or an act of violence or intimidation by, another policyholder or person entitled to benefit under this policy. In doing this, we may meet the claim when we are not legally required to do so. If we do, we will limit the claim in relation to the person claiming to an amount which is fair in the circumstances.

How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur. Our liability to you will be calculated taking into account any ITC to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled had you made a relevant acquisition.

In respect of your policy, where you are registered for GST purposes you should calculate the insured amount having regard to your entitlement to input tax credits. You should, therefore, consider the net amount (after all input tax credits) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your circumstances. `GST`, `input tax credit`, `acquisition` and `supply` have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

What happens with cancellations

Cancellation by you

You can cancel this policy at any time. For each property or landlord contents cover cancelled, you will be refunded the unexpired portion of the premium attributable to that property or landlord contents cover (including GST if applicable) less any non-refundable government charges. We will not give a refund if the refund is less than **\$10** (GST inclusive). If you pay by instalments, on cancellation you agree to pay us any portion of the premium that is owing but not yet paid and that amount is due and payable.

Cancellation by us

We can cancel your policy where the law allows us to do so. For each property or landlord contents cover cancelled, you will be refunded the unexpired portion of the premium attributable to that property or landlord contents cover (including GST if applicable), less any non-refundable government charges. We will not give a refund if the refund is less than **\$10** (GST inclusive). If we cancel your policy due to fraud, we will not refund any money to you.

Help us fight insurance fraud by reporting:
